

Cleanliness

by Ellen Diann Messer

Matt 8:2-3

And behold, a leper came and worshiped Him, saying, "Lord, if You are willing, You can make me clean." 3 Then Jesus put out His hand and touched him, saying, "I am willing; be cleansed." Immediately his leprosy was cleansed.

Jesus could have said, "I am willing, be healed." But He did not say be healed, He said "Be Cleansed". Cleansing and deliverance both follow the healing miracles of Jesus. He delivered them and they were healed. He cleansed them and they were healed.

Luke 8:36

They also who had seen it told them by what means he who had been demon-possessed was healed.

Acts 8:7-8

For unclean spirits, crying with a loud voice, came out of many who were possessed; and many who were paralyzed and lame were healed. 8 And there was great joy in that city.

There is healing in deliverance from unclean/demonic strong holds as well as physical uncleanness. For example, my personal testimony is that I had lower back pain my whole life and I would get very uncomfortable throughout the day. I am also a believer in the delivering power of Jesus Christ from oppressive demonic forces and for years I have dealt with a rejection spirit. I forgave everyone, but I failed to recognize I had made a "vow" when I was rejected. I suffered the pain of rejection and vowed that I could not be loved. I was only about 4 years old, but the memory is vivid. When I became aware of that vow I repented for making an idol of that vow and immediately the power of rejection was broken in me and I felt the same pain I felt the day I received rejection, but this time it was leaving me. I felt like tentacles loosening my lower back and the pain of rejection and lower back pain left me completely. The joy of the Lord filled my being and I was not only healed of spiritual torment, but physical pain. Physical pain and illness can be rooted in spiritual or natural causes or both. The key is DELIVERANCE from both and that is done only through the power of God's Word. All power to heal is from the Word that was sent for our healing and He is the God that heals all of our diseases and delivers and cleanses us from all of our oppressors.

Titus 3:4-6

But when the kindness and the love of God our Savior toward man appeared, 5 not by works of righteousness which we have done, but according to His mercy He saved us, through the washing of regeneration and renewing of the Holy Spirit, 6 whom He poured out on us abundantly through Jesus Christ our Savior,

God's Word is the Water that washes and regenerates and renews us in the Holy Spirit.

Luke 6:17-18

And He came down with them and stood on a level place with a crowd of His disciples and a great multitude of people from all Judea and Jerusalem, and from the seacoast of Tyre and Sidon, who came to hear Him and be healed of their diseases, 18 as well as those who were tormented with unclean spirits. And they were healed.

Prov 21:30-31

There is no wisdom or understanding or counsel against the LORD. 31 The horse is prepared for the day of battle, but deliverance is of the LORD.

Cleanliness is natural and spiritual and both are important to walking in divine health. For example in the Bible we are commanded to walk in love, joy and peace and all the fruit of the spirit. If we do

these things, there is no law against us. What laws could the Bible be speaking about? I believe the two laws that are at war within each man are the law of the Spirit of Life in Christ Jesus and the law of sin and death. When we walk by the Spirit of God, being led by God's Spirit in our thinking, actions and faith, then we are free from the law of sin and death and there is no condemnation. But when people are led by their natural thinking, the flesh, then they are under the law of sin and death and there is condemnation.

Gal 5:22-25

But the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness, 23 gentleness, self-control. Against such there is no law. 24 And those who are Christ's have crucified the flesh with its passions and desires. 25 If we live in the Spirit, let us also walk in the Spirit.

Rom 8:1-14

*There is therefore now no condemnation to those who are in Christ Jesus, who **do not walk according to the flesh, but according to the Spirit**. 2 For the **law of the Spirit of life in Christ Jesus** has made me free **from the law of sin and death**. 3 For what the law could not do in that it was weak through the flesh, God did by sending His own Son in the likeness of sinful flesh, on account of sin: He condemned sin in the flesh, 4 that the righteous requirement of the law might be fulfilled **in us who do not walk** according to the flesh but according to the Spirit. 5 For those who live according to the flesh set their minds on the things of the flesh, but those who live according to the Spirit, the things of the Spirit. 6 **For to be carnally minded is death, but to be spiritually minded is life and peace**. 7 Because the **carnal mind is enmity against God**; for it is not subject to the law of God, nor indeed can be. 8 So then, those who are in the flesh cannot please God. 9 But you are not in the flesh but in the Spirit, if indeed the Spirit of God dwells in you. Now if anyone does not have the Spirit of Christ, he is not His. 10 And if Christ is in you, the body is dead because of sin, but the Spirit is life because of righteousness. 11 But if the Spirit of Him who raised Jesus from the dead dwells in you, He who raised Christ from the dead will also give life to your mortal bodies through His Spirit who dwells in you. 12 Therefore, brethren, we are debtors--not to the flesh, to live according to the flesh. 13 For if you live according to the flesh you will die; **but if by the Spirit you put to death the deeds of the body, you will live**. 14 For as many as are led by the Spirit of God, these are sons of God.*

The two laws at work are at war within each believer, but we are free from the lusts of the flesh when we choose to walk in the Spirit where there is no condemnation. Spiritual cleanliness is accomplished through dying to the flesh, basically taking up your cross, and choosing to walk in the Spirit, basically choosing God's way over all reasoning, logic or natural arguments. God's Word is a light to your feet and a lamp to your path. If you walk by the Spirit of God you will not fulfill the lusts of the flesh. The battlefield is in the mind, but in Christ you are empowered with the same power that resurrected Christ from the dead to walk by the Spirit. Unforgiveness, wrath, anger, malice, bitterness and fear are emotions that invite spiritual uncleanness and will give place to strongholds in the mind. The Bible talks about emotions in relation to health. We are commanded to take the Kingdom by "force". We have to "force" our minds to become captive to the obedience of God's Word and God's peace will guard your heart and your mind in Christ Jesus. He is the prince of peace and if the mind is not at peace with God, the battle is won by forcing the thoughts to become captive to the Knowledge of God's Word. Entertaining logic, reasoning and fear creates doubt and unbelief making that man unstable in all his ways. The fruit of the Spirit is the "thermostat" of the spirit man. Check your fruit daily and die to your flesh daily.

Ps 38:3

*There is no soundness in my flesh because of Your anger, nor any health in my bones because of my sin. **Sin is a destroyer and the pleasures of sin are not remembered in the horror of the consequence of sowing and reaping evil.***

Prov 3:6-8

In all your ways acknowledge Him, and He shall direct your paths. 7 Do not be wise in your own eyes; fear the LORD and depart from evil. 8 It will be health to your flesh, and strength to your bones.

God's Word is health to your flesh and strength to your bones. The marrow of your bones dries up when bitterness, anger, wrath are allowed to remain in your soul because you do not forgive others or yourself. God will not forgive our sins until we forgive those who sinned against us. Forgiveness will make you free. It is also important to repent of vows you make based on judging self or others. When we judge others, the very thing we judge will come upon us because the judge will be at our door the minute we judge.

Prov 22:24-25

Make no friendship with an angry man, and with a furious man do not go, 25 Lest you learn his ways and set a snare for your soul.

Anger, fear, malice and other negative emotions are rooted in the soul man and they are a snare for your soul. Forgiveness, compassion, love, joy peace and all the fruits of the spirit will deliver you from these emotions. It does not matter what happened, nothing is too great for the power of forgiveness. The Blood of Christ paid for all sins past, present and future. Each person must choose Christ in his own free will and choose to receive all of the great and many promises of God for his life. Sickness, torment and oppression are attached to the negative emotions. We are human, but are commanded to learn to walk in the Spirit, where we have "self-control" by the power of the Holy Spirit. When we walk in the Spirit there is no law against such things!

Prov 25:28

Whoever has no rule over his own spirit is like a city broken down, without walls.

Eph 4:30-32

And do not grieve the Holy Spirit of God, by whom you were sealed for the day of redemption. 31 Let all bitterness, wrath, anger, clamor, and evil speaking be put away from you, with all malice. 32 And be kind to one another, tenderhearted, forgiving one another, just as God in Christ forgave you.

Heb 12:15

Looking diligently lest anyone fall short of the grace of God; lest any root of bitterness springing up cause trouble, and by this many become defiled;

Prov 17:27

He who has knowledge spares his words, and a man of understanding is of a calm spirit.

The opposite of stress is calm. Receiving UNDERSTANDING from your teacher, the Holy Spirit, is the way to overcome the destructive power of stress. Even in the storm you can be calm in HIM. He is the Prince of Peace.

You shall know the truth and the truth will make you free. God's people should test everything and every spirit with God's Word to see if it is from God. God's ways are pure, peaceful, gentle and without hypocrisy. God is the healer and all glory for healing belongs only to God. We are stewards of God's Temple, our body.

Spiritual and Physical cleanliness is common sense and it is a known fact that cleanliness promotes a healing environment. Just as a wound on the outside of the body must be free of toxins and filth, so do the cells on the inside of the body. If an infection is not cleansed on the outside of the body, it is a common known fact that the tissue that is infected damages healthy tissue. If an infection is not cleansed it may even result in death. There is no question we must keep our wounds clean. The same common sense must be understood about the inside of our body. Toxins inside the body cause INFLAMMATION and inflammation destroys tissue and symptoms will follow. If you use common sense to keep the body clean and well nourished, there is nothing physically to interfere with the awesome communication that exists in every cell. Every cell is alive and receiving directions from God's Word to give you Life and healing. IN HIM, HIS WORD, we live and move and have our being.

The DNA is not a program, but rather the spoken and living Word of God about His creation. The Word which He Wrote in HIS BOOK about His Creation. The Bible tells us that if books were written to tell us all that Jesus, the WORD, did, the world could not contain these books. An interesting bit of information from the Human Genome Project calls the DNA the "book of life" and These godless scientists also declare that the DNA is a book that must be interpreted. The godless researchers believe that the answers to LIFE are found in the DNA and they assume they can eventually interpret the DNA and rewrite any errors they find. After mapping one DNA the scientific community determined that one DNA contained 5,000 volumes of books 1500 pages long. God's Word created all things and HIS WORD, the DNA of LIFE, if put into books confirms what scriptures say about the WORD.

John 21:25

And there are also many other things that Jesus did, which if they were written one by one, I suppose that even the world itself could not contain the books that would be written. Amen.

Godless minds may be able to write volumes of books about what they observe about creation, but the line is drawn when it comes to understanding what they observe. Without the wisdom of God to teach men, men become fools. Could that be why a godless health science searches for cures only through drugs? It does not take a mature Christian to know that man cannot create and man cannot rewrite what God wrote in His Book of Life. The DNA is not a program that can be rewritten. Man can only pervert it and make it defective, which is destruction. The errors we see in creation are the result of the sin in the earth that interferes with God's Word. There is no such thing as "mother nature". God's creation is solely under the intimate control of God's Word. When sin is removed from the earth at the second coming, again we will see the perfect incorruptible Word.

1 Cor 15:51-57

Behold, I tell you a mystery: We shall not all sleep, but we shall all be changed—52 in a moment, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, and the dead will be raised incorruptible, and we shall be changed. 53 For this corruptible must put on incorruption, and this mortal must put on immortality. 54 So when this corruptible has put on incorruption, and this mortal has put on immortality, then shall be brought to pass the saying that is written: "Death is swallowed up in victory." 55 "O Death, where is your sting? O Hades, where is your victory?" 56 The sting of death is sin, and the strength of sin is the law. 57 But thanks be to God, who gives us the victory through our Lord Jesus Christ.

Corruption exists on earth because of sin and it is our individual responsibility to seek the WORD to learn to walk in the Spirit in order to walk in Divine Health and learn how to receive and give to others the promises of God. The Word can become corrupted in the creation of life because of lack of knowledge. For example, if a mother takes drugs when pregnant and then the drugs may block the God given communications of the fetus during cell-division. The cellular communication may break down because of the corruption caused by the drugs and then the baby could die or become defective. That is why drugs/toxins/sorcery cause birth defects. God's Word clearly tells us that we are perfectly and wonderfully created and there are no errors in God's Word. Every DNA is perfect. Defects in creation are the result of corruption in the earth. However, in Christ we have been given authority, knowledge and delivering power over all the power of the devil. Jesus came to destroy the works of satan. In Christ are all of the promises of God to receive all of the goodness of His Word.

Col 2:2-3

That their hearts may be encouraged, being knit together in love, and attaining to all riches of the full assurance of understanding, to the knowledge of the mystery of God, both of the Father and of Christ, 3 in whom are hidden all the treasures of wisdom and knowledge.

God's Word is all and fills all. It can be seen as the communication traveling as a "light" between the DNA of very cell. The DNA is not a program. In HIM, we live and move and have our being. He is all and in all. Scripture clearly verifies God's intimacy with His creation in that He is all and in all. Cellular communication is a new frontier for the godless science, but because they reject the existence of a creator, the DNA remains a mystery to the godless and they are unable to receive

understanding. Why are Christians seeking a godless science for wisdom about health? It is true that satan comes as an angel of light deceiving many as witnessed in the godless medicine in the world. If God fearing men in science asked God for the wisdom for cures, would God withhold the cure? No, and we have the Cure, but the godless science holds men captive to their lies through the strong man of fear, manipulation and intimidation. Scientists are NOT allowed to research under the theory of intelligent design or creation and have their scientific papers accepted. It is time God fearing men start their own science forum and stop arguing with fools who say there is no God. It is our God given right to acknowledge God in ALL of our ways. Our government has not right to stop us in the work place or in research from acknowledging our God. Evolution is taking over this nation through a godless science and that is why we are loosing our religious freedoms in America.

The gene mapping that has been done is a map of 4 chemicals in the gene. These chemicals are now the alphabet of the DNA according to a godless science. However, because they are proud, puffed up with knowledge they lack the understanding that comes only from the creator. The human genome project admits they need at least 50 years to begin to understand the words in the DNA. It is all a scam to insure they continue to get paid for bogus research. The answers for healing is not found in the genes, but in God's Word. God has all of the answers in HIS Word that pertain to life and godliness. His Wisdom is available for the asking. But science will not ask a God they reject, so they remain in darkness. Gene reading is no different than palm reading. Science admits they do not know how to interpret the words in the DNA, yet they are trying to sell you a lie that they can read your genes and tell you your health future. Do not be deceived by this godless research.

Creation is naked before the eyes of God and nothing is hidden from Him. The light of His Word is greater than the light seen in x-rays or the strongest laser lights. Nothing is hidden from our God. All cellular communication is for the good of the body and never do our cells attack the body. Cellular communication fails because toxins and filth block cellular communications. Birth defects do not happen because God's creative Word made a mistake, it is because of the toxins or lack of nutrients interferes with the perfect cellular communications. This truth is too simple for those who are puffed up with knowledge, but it is the truth. Cellular communications need a clean environment. Cleanliness promotes cellular communications. Our cells need cleanliness and "living" food that build up cells. Toxins do not promote cell life or have anything to do with healing. Pain relief is a blessing while we wait for our healing, but pain relief is not the solution that must be taken for your whole life. The toxic effect of drugs that relieve your pain can lead to death. Toxins have no health benefit. God did not create our bodies to live off of drugs/poisons/sorcery.

God's Word fills every cell as His Word is the DNA of Life and the DNA is not a program as evolutionary scientists assume. The DNA is a living Word about God's creation. The DNA is a God created book and man can do NOTHING apart from God. The secrets of God are received ONLY from Him, and cannot be found through a godless science or a laboratory. God makes the path straight to those who acknowledge Him, not to those who are wise in their own eyes. Those who are wise in their own eyes become fools who say there is no God.

Prov 3:5-8

Trust in the LORD with all your heart, and lean not on your own understanding; 6 In all your ways acknowledge Him, and He shall direct your paths. 7 Do not be wise in your own eyes; fear the LORD and depart from evil. 8 It will be health to your flesh, and strength to your bones.

Miracle II soaps are from the Mind of Christ. Clayton Tedeton did not formulate the soaps, and Clayton gives all glory to God for Miracle II soaps. God gave him the formula through a miracle. God took a simple man with no chemistry background and no science background and gave him a simple mineral formula for soap. Why does God use the foolish things to confound the wise? Because His Word says He does just that. It could be the same reason He did not go after the scholars to be His disciples, but rather simple fishermen.

Miracle II soaps have been found in the laboratory to neutralize toxins and clean to the depths of the DNA. The water of the soap is able to penetrate the hard skeletal shell of insects thus drowning them. The penetrating power of Miracle II soaps cleans our body inside and out and that is all it

does. There is **NO POWER** to heal except God's Word. But we are stewards of His temple, which is our body, and if God took the time to give us this soap, I am willing to use the soap. I have used the soap for over 3 years and I need to write another book to share all of the good things that happen when we clean our cells. One simple thing is that it removes spots and wrinkles. It also leaves no residue on the bathtub leaving it sparkling clean every time.

Miracle II soaps penetrate to the depths of the DNA to cleanse cells of the body. The bath soak opens the pores to allow toxins to flood through the pores quickly and miraculously while soaking in a hot bath using Miracle II Soap. The brochure provided on www.MyMiracle.ws web site explains how to use Miracle II soaps to clean. I have left my bath water in the tub over night and in the morning when the tub drains I am shocked at what came through my pores. This is the bath test. God's ways are higher than our ways and only today is such a need for cleaning been so great. Only today do we have the quantity of toxins in our foods, air and water that are known to cause cancer. Why does a medical profession who acknowledges that toxins cause cancer use the most cancer causing toxins as medicine?

Man is **ONLY** the steward of God's Temple, not the creator of God's Temple. God's Word is continuously creating new cells in our bodies and He is the Power of Life that sustains our life. **NOTHING** that was made apart from His Word and that includes every single cell in all of creation. His Life sustains life. His Word heals as healing is a creative work, not the work of the "natural". God is very involved with His creation as all life comes only from Him. He is the **LIFE** of all men and His Life is the light of all men. But eternal life is found only in Christ Jesus, who paid the price for all sin. Men do not loose eternal life because of bad deeds, but because they reject the free gift of eternal life in Christ. If we are poor stewards of our temple on earth it won't keep you from heaven, it will just get you there sooner. But how many souls will you miss taking with you if you leave before your time? How many people will believe your Jesus is the healer when your toxic body is sick and dying? **Jesus IS OUR HEALER** and healing is **ALWAYS** available and working for us, but we can't ignore the truth that we are also free to self-destruct. We have to choose life!

If we practice Godly Wisdom in our stewardship of our body, then we will experience the healing Word of God and walk in divine health. Jesus paid the price for salvation as well as for our healing. Healing is only a mystery to those who deny the existence of God and try to understand a very complex and wonderfully and perfectly created body apart from God. The mind of the godless is darkened and unable to perceive the things of God. They are limited to their vain imaginations that exalt themselves above the knowledge of God, thus the cures remain elusive. God opposes the proud. Why would a Christian assume God would give wisdom to a godless science to find a cure? (Read Psalms 1:1)

God is the Cure and the results that people have after using Miracle II soaps is only because the toxins and filth are washed out, and the toxic effects are neutralized. When you read about what others experience when using Miracle II many will say the Miracle II healed them. This is only because they do not understand because of the deception of a godless medical science. Cause and effect is not always understood without God's Wisdom. It is true that cleaning promotes a healing environment, but never is cleaning a power that heals.

God's people are not destroyed because of disease, but rather because God's Word says in Hosea 4:6 "My people are destroyed because of lack of knowledge."

When we clean an infected wound on our hand, it is not said the cleaning is the healer. God's Word (His Wisdom) is the DNA of Life and His Word is our healer. Cleansing only removes the filth and the toxins that are interfering with cellular communication that always speaks healing and maintains life. **FOR IN HIM**, we live and move and have our being.

It is good common sense to clean the wound to prevent and remove inflammation. It is good common sense to clean God's Temple inside and out. Detoxification is not a myth as drug pushing scientists claim. Detoxifying the body is common sense. If we all **KNOW** toxins cause cancer, illness and death, why would intelligent and educated people consider detoxification a myth?

For more information I have other free ebooks sharing what I have learned since 1988 about health through much study and prayer. (www.cfhsm.ws)
